Dear Sir:

In order to avoid a lengthy repetition of incidents leading up to the present situation, I hereby request your cooperation in the matter of the burial of the unclaimed ashes of one Joseph Callahan who died on February 17, 1927 and whose body had been cremated on February 22nd, 1927. The ashes in question were brought to us by Post Office Inspector Jencunas from the General Post Office in New York City.

Inasmuch as there are no known claimants of the ashes, but interested persons may at some future date make inquiries re same, we have decided to bury the ashes in the City Cemetery. Burial must be made without the usual permit because we cannot obtain a death certificate.

Thanking you for your continued cooperation, I remain as ever

Sincerely yours,

MJA emj
